## **RULE 9.00 – UMPIRES**

- 9.01** All leagues and tournaments played under the jurisdiction and administration of USSSA Baseball shall utilize umpires who are registered with the Association.
- 9.02** One (1) or more umpires will be assigned to officiate each game.
- 9.03** The umpires shall be responsible for the conduct of the game in accordance with these rules and for maintaining discipline and order on the playing field during the game.
- 9.04** Each umpire is the representative of USSSA Baseball, and is authorized and required to enforce the rules of the Association.
- 9.04.A** Each umpire has authority to order a player, coach, manager, sponsor or spectator to do or refrain from doing anything, which affects the administering of these rules, and to enforce the prescribed penalties.
- 9.04.B** Each umpire has authority to disqualify any player, coach or manager for objecting to decisions or for unsportsmanlike conduct or language, and to eject such disqualified person from the playing field.
- 9.04.C** Each umpire has authority at his discretion to eject from the playing field any person whose duties permit his presence on the field and any spectator or other person not authorized to be on the field.
- 9.05** Any umpire's decision which involves judgment, such as, but not limited to, whether a batted ball is fair or foul, whether a pitch is a strike or a ball, or whether a runner is safe or out, is final. No player, coach or manager shall object to any such judgment decisions.
- Rule 9.05 Comment:** Players leaving their position in the field or on base, or managers or coaches leaving the bench or coaches box, to argue balls and strikes shall not be permitted. They should be warned if they start for the plate to protest the call. If they continue, they will be ejected from the game.
- 9.06** If there is reasonable doubt that any umpire's decision may be in conflict with the rules, the manager may appeal the decision and ask that a correct ruling be made. Such appeal shall be made only to the umpire who made the protested decision.
- 9.07** If a decision is appealed, the umpire making the decision may ask another umpire for information before making a final decision. No umpire shall criticize, seek to reverse or interfere with another umpire's decision unless asked to do so by the umpire making it.
- Rule 9.07 Comment:** The manager or the catcher may request the plate umpire to ask his partner for help on a half swing when the plate umpire calls the pitch a ball, but not when the pitch is called a strike. The manager may not complain that the umpire made an improper call, but only that he did not ask his partner for help. Field umpires must be alerted to the request from the plate umpire and quickly respond. Managers may not protest the call of a ball or strike on the pretense they are asking for information about a half swing. Appeals on a half swing may be made only on the call of ball and when asked to appeal, the home plate umpire must refer to a base umpire for his judgment on the half swing. Should the base umpire call the pitch a strike, the strike call shall prevail. Base runners must be alert to the possibility that the base umpire on appeal from the plate umpire may reverse the call of a ball to the call of a strike, in which event the runner is in jeopardy of being out by the catcher's throw. Also, a catcher must be alert in a base stealing situation if a ball call is reversed to a strike by the base umpire upon appeal from the plate umpire. The ball is in play on appeal on a half swing. If the manager comes out to argue with an umpire and if after being warned he persists in arguing, he can be ejected as he is now arguing over balls and strikes.
- 9.08** Immediately following a game, the umpire shall report to the league / tournament officials all violations of rules and other incidents worthy of comment, including the disqualification of any player, coach or manager and the reasons therefore.
- 9.09** **General Statement Concerning Umpires:** Umpires should not indulge in conversation with players, coaches, managers, sponsors or spectators. Keep your uniform in good, clean condition and your shoes shined. Be active, alert and courteous. When you enter the field your sole duty is to umpire a baseball game as the representative of USSSA Baseball. Keep the game moving as a baseball game is often helped along by energetic and earnest work of the umpires. You are the only official representative of USSSA Baseball on the field. It is often a trying position which requires the exercise of much patience and good judgment, but do not forget that the first essential in working out of a bad situation is to keep your own temper under control. You no doubt are going to make mistakes, but never attempt to **"EVEN UP"** after having made one. Make all decisions as you see them. Keep your eye everlastingly on the ball while it is in play as it is more vital to know just where a fly ball fell, or a thrown ball finished up, than whether or not a runner missed a base. Do not call plays too quickly, or turn away too fast when a fielder is throwing to complete a double play. Watch for dropped balls after you have called a man out. Do not come running with your arm up or down, denoting out or safe, wait until the play is completed before making any arm motions. Never make a call on the move, stop and set your self. A play is naught until the umpire calls it! Each umpire crew should work out a simple set of signals, so the proper umpire can always right a manifestly wrong decision when convinced he has made an error. If you're sure you got the play correct do not be stampeded by appeals to **"ASK FOR HELP"**, if not, ask one of your crewmembers but do not carry this to extremes. Be alert and get your own plays but always remember...the first requisite is to get the call correct! Umpire dignity is important but never as important as being right. The single most important rule for umpires is always **"BE IN POSITION TO SEE EVERY PLAY"**. Even though your decision may be 100% right, players, coaches, managers, sponsors and spectators still question it if they feel you were not in the proper position to see the play clearly and definitely. Finally, be courteous, impartial and firm, and so compel respect from all.

## **RULE F4.00 – INCOMPLETE TOURNAMENTS**

Weather or other Acts of God make it impossible to complete a tournament during the scheduled time frame and adding additional days to the tournament schedule may not a viable option. Under such circumstances, the following shall apply to determine the tournament's final standings:

- F4.01** If all Pool Play games **HAVE NOT** been completed, the team(s) with the least number of completed Pool Play games will establish the total games played for all teams. Any team(s) having played more than the established total games played will have their excess game(s) results removed from the tournament standings (for the purpose of this rule only). Such removed games shall be the most recent game(s) played by the team(s). Once the excess game(s) are removed, all teams will have played an equal number of games and USSSA Rules 4.10 or USSSA Rule 5.14 shall be used to determine the final standings in the tournament.
- F4.02** If all Pool Play games **HAVE** been completed but **LESS THAN ONE (1) ROUND** of Bracket Play games have been completed, the game results from the first round of Bracket Play shall be removed from the tournament standings (for the purpose of this rule only). - F4.03** If all Pool Play games **HAVE** been completed and **AT LEAST ONE (1) OR MORE ROUNDS** of Bracket Play games have been completed, the game results from any uncompleted round of Bracket Play shall be removed from the tournament standings (for the purpose of this rule only). USSSA Rule 4.10 or USSSA Rule 5.14 shall be used to determine the final standings in the tournament from the time of completion of the **LAST COMPLETED ROUND** of Bracket Play.

**Rule F5.02 & F5.03 Comment:** For the purpose of this rule, a team(s) that receives a BYE in any round of Bracket Play is credited with a win for that round.

## **RULE F6.00 – SHOOT OUT FORMAT RULES**

The basis of a "Shoot Out" format is mini games played with shortened time limits over the course of one day such as a holiday weekend or at other possible times of necessity. Its purpose is to afford the completion of a tournament in a short period of time. All participants should play all games as a rapid pace with lots of hustle. The time between innings should be held to the absolute minimum. The ending of one game and starting of the next game should be almost instantaneous. Umpires should stay behind the plate or in the field for a minimum of four (4) mini games before swapping positions. Field maintenance should be done at the beginning of pool play, the beginning of bracket play and before the championship game so as not to delay play. Scorekeepers should exchange line-ups and teams should conduct pre-game meetings well in advance of the scheduled game time. Likewise, teams should only conduct post-game meetings after completely vacating the playing field and dugout areas as not to delay the start of the next scheduled game. **For all of the above reasons, it is HIGHLY recommended that teams not leave the local vicinity of the playing venue(s) during the scheduled event.**

**F6.01** Game Lengths & Time Limits:

- F6.01.A** 4U – 6U Three (3) innings or forty minutes (:40)
- F6.01.B** 7U – 8U Three (3) innings or forty minutes (:40)
- F6.02.C** 9U – 10U Four (4) innings or forty-five minutes (:45)
- F6.02.D** 11U – 12U Four (4) innings or forty-five minutes (:45)
- F6.02.E** 13U – 14U Four (4) innings or forty-five minutes (:50)
- F6.02.F** 15U – 18U Four (4) innings or forty-five minutes (:50)

**Rule F6.01 Comment:** USSSA never uses a “Drop Dead” time. All innings must be played out to these rules. Championship games do not use a time limit but all Mercy Rules (USSSA Rule 8.03.H) are in effect.

**F6.02 (Chart F6.02-1)** An imposed Mercy (Run) Rule shall be used to complete a regulation game when one team’s margin of lead is greater than or equal to the listed run differential in the corresponding listed inning.

LENGTH OF GAME	RUN DIFFERENTIAL	AFTER
3 Innings	6	2 <sup>nd</sup> Inning
4 Innings	10	2 <sup>nd</sup> Inning
4 Innings	6	3 <sup>rd</sup> Inning

Chart F6.02-1

**Rule F6.02 Comment:** In enforcing this rule, the home team shall not bat if they are winning and the mercy requirement is met prior to the bottom half of the listed inning. Likewise, if the home team is batting and meets the mercy requirement in the bottom half of the listed inning the home team shall cease batting at that moment and the game shall end.

- F6.03** Tournament Directors shall schedule no more than ten minutes (:10) between game times and no more than forty-five minutes (:45) between the completion of Pool Play games and the first round of Bracket Play games.
- F6.04** With the exception of Rule F6.01 and Rule F6.02 above, all other USSSA National Bylaws & Rules and State of Florida Supplemental Rules applicable to standard tournament formats shall also be applicable to the “Shoot Out” format.
